MOBILITY RENTALS

AABCO-Ready Rental Sales & Repair is proud to assist the Attendees, again this year, with the 2025 VEX Robotics World Championship. We're pleased to be providing attendees with rental power mobility and manual wheelchair service.

ADVANCE RESERVATION

We strongly recommend completing your Advance Reservation at least 12 days prior to each Event. That's the most convenient and efficient option, which will guarantee your rental Power Scooter. With your Reservation complete, your rental will be waiting at your arrival and you can breeze right through. Last minute requests will be honored based on availability.

KNOWN FOR OUR DEPENDABILITY

We are recommended because we have proven that making sure that attendees are accommodated with dependable service and equipment in a friendly professional atmosphere is our highest priority!

COMPLETE LINE

Complete line of medical equipment to accommodate most sizes and individuals.
